Growing in Christ Through Intentional Relationships

Group Launch

Looking to grow in your faith through meaningful connections?

Joining a small group is a great way to build intentional relationships and experience authentic community. In a small group, you'll find opportunities for spiritual growth and encouragement. One of the easiest ways to get started is by signing up for our Group Launch events, held every February and August.

What is Group Launch?

Group Launch is a three-week experience designed to help you connect with others and find the right small group. It takes place on Sundays during second service in February and August. When you register, you'll be placed in a temporary group with people who live near you and meet onsite with a prospective leader for three consecutive weeks. After that, you can:

- Commit to your group long-term
- Explore other options through the [Small Group Finder](#)
- Or join us again at the next Group Launch event

How will the group be formed?

Our team will thoughtfully place participants with others who live nearby, creating groups of 8-15 people. Whenever possible, we'll group participants from the same parish. Each group will include a mix of singles, couples, men, and women.

Is child care available?

Yes! Children's programming is offered during the second service for kids up through 4th grade. You can also register for child care (for ages 12 and under) when you sign up for Group Launch.

Who will my leader be?

Our goal is to have enough prospective leaders ready to guide every group at Group Launch. If we don't, we may appoint an interim leader—such as a small group coach or elder—until a long-term leader is confirmed.

Is this a permanent group? What happens after Group Launch?

We hope most participants will choose to keep meeting and become a permanent group. After three weeks together, you'll have built relationships and shared experiences that often lead to lasting connections. If your group isn't the right fit, you can explore other options through the [Small Group Finder](#) or join us again at the next Group Launch event.

What content will be covered?

Groups are encouraged to use the sermon series discussion guide designed for small groups.

What if I serve on Sundays?

We value your commitment to serving! At the same time, we believe community is essential for spiritual growth. If possible, consider finding a temporary substitute for three weeks so you can attend Group Launch. It's worth the investment.

What happens if I cannot make it to every session?

We believe God works powerfully through small groups, and that experience is best when everyone can be present consistently. If you're unable to attend at least two of the three sessions, we encourage you to wait and sign up for the next Group Launch. This will help you get the most out of the experience.
