What does a meeting look like? Are there additional gatherings?

Each meeting includes fellowship, food, a speaker, small group discussion, and prayer time. Women are placed in small groups with other women that live near them when possible. Optional events include playdates, family activities, and mom only events.

What stage of parenting are the women in who participate in Moms Connection?

Most of our Moms have kids that are in early elementary school and younger.

When does Moms Connection meet?

When do I sign up for Moms Connection?

Registration begins in May. Women will initially go on a wait list. As we confirm child care workers for the fall we will be able to accept women and children. Women will continue to be placed throughout the year as space allows. Kids Connection fills up quickly so register right away if you're interested.

How do I sign-up?

When the registration is open you will find it at yourchurch.com/women. You will want to sign up promptly as child care is limited.

What if I am put on a wait list? How likely am I to get a spot?

Being placed on the waitlist is common especially for Thursday morning. It takes a bit of work behind the scenes to balance child care rooms with the accurate number of workers so everyone has a good experience. We use a wait list system to give us space to figure out room assignments. We will continue to take as many children as we can. Thank you for your patience. We will make every effort to get back to you as soon as we are able.
