Intro

VERSE 1

We were the walking dead (Yes, we were)
But now we're alive (Thank you, Lord)
We have this salvation
We could not earn
'Cause you stepped in

VERSE 2

I was a child of wrath (Yes I was)
But I was met with mercy (mercy and love)
Now all the sins I carried
They're still buried in the grave
But Jesus rose

CHORUS

(We're Saved) By Grace, Through Faith
(We're Saved) By Grace, Through Faith
Created in Jesus
To do good works
And we will walk in them
we will walk with Him

VERSE 3

Your Spirit's right and true (good, right, and true)
So we will believe (believe in faith!)
Our greatest treasure isn't found on earth
It's found in you
It's found in you

CHORUS

CHORUS

BRIDGE 1

I will walk in love
Cause Jesus loves me
Gave Himself up
As a fragrant offering
Thank you Lord
For setting me free
child of light
I've been redeemed **(REPEAT)**

Bridge 2

We will walk in love
Cause Jesus loves us
Gave Himself up
to renew our spirits
