Intro: A (2X)

Verse 1

You say we're forgiven
We are redeemed
You call us blameless
We are clean (free)

Pre-chorus

So why can't we live, (Help us to live)
Like we believe what you say?

Chorus

You gave it all for us
Oh Your mercy, oh Your grace
Poured out your perfect love
We are amazed
Before the world began
Oh You held us in your plan
Once without hope, now we are saved
We are amazed
We are amazed

You say we're adopted
We are Your saints
You call us chosen
We have your name

Before the world began
Oh You held us in your plan
Once without hope, now we are saved

Bridge 1 (2x)

We were strangers, we were orphans
Prodigals far from our home
Now we're children, we're forgiven
Heirs with the One on the throne

Love surpassing all understanding
Covers the debt that we owe
By Your Spirit we believe
Our heart is a place you call home
Your mystery now is made known
