

Over It All [Lyrics, 82 bpm, 4/4]

[Default Arrangement] by Sarah Gurley

Intro

Verse 1

Just a word
Breathed into silence

The world was formed
All You did was speak

None can compare
No one beside You
Before all things
Heavens at Your feet
Unending majesty

Chorus 1

Hallelujah
All glory be
To our Author
Our Sovereign King
Hallelujah
Let praises rise
You're the hope who brought us life
You're over it all
You're over it all
Pre-eminent Christ

Verse 2

We could not hold
The weight of Your glory
Unaware
Blinded by our sin
'Til You stepped in

All glory be
To our Author
Our Sovereign King
Hallelujah
Let praises rise
You're the hope who brought us life
You're over it all
You're over it all
